The Registry Law of West Virginia.

From the Baltimore American of Thursday. Some weeks since Judge Jackson, of the

registers as insisted on enforcing the State

keeping the threat of arrest ever present before their eyes, but we should be slow

to think that the court in making the ap-

State law, but over their heads was hanging the warrant of the United States Com-

oner if they attempted to perform

VOL. XIX.

WHEELING, W. VA., SATURDAY MORNING, SEPTEMBER 3, 1870.

The Battles on the Meuse.

We have only space for brief comment n the morning's news. From the conon the morning's news. From the con-flicting reports of varying success and defeat in the tremendous struggles of the defeat in the tremendous struggles of the three days' fighting reported, it appears several counties of his district, and the that the Prussians won great advantages
Tuesday and Thursday. The London
dispatch dated yesterday 2:30 r. m., furfact that all the new appointees were nishes the only explicit statement of the battle Thursday, which left the French retreating on Mezieres. It is certain that the fighting has been terrific and provisions to the registration act passed provisions to the registration act pass WHEELING, W. VA. French retreating on Mezieres. It is certhe carnage fearful on both sides, and it is probable the Prussians suffered some reverses Wednesday.

Though the struggle does not seem to

be concluded, the latest intelligence leaves the advantage with the Prussians.

Judge Bond's Decision.

We lay before our readers this morning the text of the decision rendered at Martinsburg by the Hon. H. L. Bond, Judge of the United States Circuit Court for this Circuit, on the operation of the enforcement act when the purpose of such such as a support of the surface of the s of the latest and most fashionable patterns, just the text of the decision rendered at Murreceived from the Eastern markets. Gent's Furnishing Goods Circuit, on the operation of the enforcein the city, which will be sold cheap. Call and cxamine before purchasing. itself is so clear and explicit that it needs no comment, and, inasmuch as it aftirms precisely the position the Intelligencer took on this question from the first, any elaboration of it would be but a repetition of what we have already repeatedly JOHN H. STALLMAN, that the act of Congress is designed said. The decision is, in general terms, simply to enforce the fifteenth amendment; that it leaves the regulation of suffrage wholly to State laws, except so far as they may attempt to discriminate on account of race or color; and this discrimination constitutes the only offence against the act of Congress on the part of A Complete & well Selected Stock | State officers of registration and election for which they are answerable in the United States Courts. For all else they are to answer to the State tribunals. So far as we are aware, there has not

ENGLISH, FRENCH, SCOTCH AND DOMESTIC been a single violation of the enforcement act in the State, under the decision ren-

The Sinking Fund and Reduction of

with the proceeds.

We call attention to the letter because

Congress on this subject have become

TREASURY DEPARTMENT, September 1; 1870.

Sin:—In reply to your letter of August 30th, requesting to be informed "whether the bonds purchased for the Sinking Fund are still held, and the interest

thereon applied to the reduction of the debt, or whether these bonds have been destroyed, coupons and all, and the inter-est thereby terminated," I have to in-

form you that the bonds purchased for the Sinking Fund, and also those purchased in addition thereto and held as a special fund, have all been

destroyed, with the coupons, and have been deducted from the public debt of the United States; and the interest thereon has ceased. This is in conformity with

650, which is an annual reduction and saving of interest in the sum of \$8,268,159.

The act which required the bonds to be cancelled and destroyed al-

so provides for the setting apart of one per cent of the principal of the debt on the 1st day of each July, and of the amount of interest which

would have accrued on the bonds there-

tofore purchased and destroyed if they had been preserved; this fund to be used in the purchase or redemption of additional bonds, which additional bonds are

All bonds purchased must and will be cancelled, and the amount taken from the principal of the debt, after which the in-

terest will cease. Very respectfully, WM. A. RICHARDSON,

WHEELING, W. VA.:

their sworn duty.

This being the state of affairs, a test case was made up in Mineral county.

Mr. John H. McIlwee, one of the Registers of that county, was arrested for rejusing to enroll the name of Mr. Alkire, upon a warrant issued by United States Commissioner J. Rufus Smith, and upon refusing to give ball was committed for the action of the Grand Jury at the next term of the United States District Court. Elsewhere we print a letter from the Elsewhere we print a letter from the Assistant Secretary of the Treasury, in answer to one addressed him by the editor of this paper, touching the destruction of the bonds purchased by the Treasury with the surplus. It states explicitly that all the bonds purchased, both for sinking fund and special fund have been idestroyed with the courses and the incomplete from the United States District Court, for the United States Curcuit Court, for the United States Curcuit Court, for the United States District Court, for the United States District Court, and the United States District Court, for the United States Curcuit Court, for t account of his "race, color or previous condition," the law imposing such disdestroyed, with the coupons, and the interest on them stopped; the whole amount destroyed up to the 1st inst. being in excess of \$137,000,000, and the annual interest thereby saved_exceeding eight millions. It also states exactly what protections of the 1st the officer executing the State law is not liable to the penalties protection of the save and the save and the save and the save are savely what protections are sinking found for the regular at the save are sinking found for the regular at the save are sinking found for the regular at the save are savely what provision for a sinking fund for the gradual ex-tinction of the debt was made by the recent case was refused registration not on acact of Congress. It is that one per cent of the debt outstanding be set aside once a year and that to this be added a sum comfort thereto, the defendant was disclosured by the repulsion of the year and that to this be added a sum closely for the decision of the debt paid. This provision for the debt paid. This provision for the gradual payment of the debt is at once the Registers of West Virginia will be alhonest and wise. A fund constituted in this way, while but a light annual burden to the country will extinguish the debt. quite rapidly even if no extra purchases with a surplus are made, as perhaps few can be when the great reduction in the revenues recently made takes effect. But it will be a pledge of good faith that will soon make the credit of the United States the best in the world—so good that we can borrow all the money we want at 4 or 5 per cent and take up our 6 per cent debt

The British Medical Journal says that
Dr. Hewitt of St. George Hospital, has been summoned to France to attend the Emperor. BOULLON, BELGICM, Sept. 1.

LONDON, Sept. 2-10 A. M. Dispatches received from Paris, this norning claim that the Prussians were re-bulsed in their attack on McMahon after

ten hours, sharp fighting. The Prussians ed so wide a region, the particulars are were attacked by the French from the front and rear. The French captured thirty guns and a great many, prisoners. The Prussians are reported to have been driven towards Belgium.

LONDON, Sept. 2-12 M. Another dispatch says the Prussians were victorious, but it is not generally

Panis, Sept. 2-Midnight. The Ministary has just given the following news to the public, in the absence of official reports from the Generals commanding in the north-east. From the multitude of telegraphic dispatches received from various Belgian towns, under date of August 31st from 8 of 10ck in the

ceived from various Belgian towns, under date of August 31st, from 8 o'clock in the morning until 4 o'clock in the afternoon, are extracted the following, which hear the character of probabability:

On the 30th ult, a series of engagements occurred between McMahon's army and the enemy near the city of Mezieres, lasting from 8 o'clock in the morning until 8 o'clock in the evening. Our troops were attacked by the Prussians from the woods on the Heights of Stonnes, a position we had but recently evacuated, and which the enemy immediately occupied. The attack, which was vigorous at first forced our army to a retrograde moveforced our army to a retrograde move-ment, but we soon, at 2 o'clock in the af-ternoon, took the offensive again and re-tained it till seven o'clock in the evening, when darkness put an end to the opera-After nightfall we recrossed the Meuse in order to form again near Donebenz, a few miles cast of Mezieres. The Prussians are reported to have been repulsed to-day in an attack on Gen. McMahon's army, at Sedan.

In the battle of August 30th the Prussians captured twenty-four guns.

The battle of lo-day gives a decisive rictory to General McMahon.

"Brussels, Sept. 1—Midnight.

"It is rumored here that after ten hours and fighting General McMahon utterly turns and many prisoners. General He. sians aguin took the ottonsive at seven o'clock in the morning on the left-bank of the Meuse, between the towns of Dousy and Donehenz, Our force then retreated slowly until Marshal McMahon had drawn the Prussians into the angle formed by the ramparts of Sedan and Nerghts, on the left side of the river. Here the Prussians experienced very serious losses, and were compelled, on account of a murderous fire, to retreat. They effected this about, noon, withdray-ing towards. Villamanty. After several unsuccessful attempts, they succeeded in

unsuccessful atterdpts, they sheeceded in placing themselves on the opposite side of the Meuse. On the morning of the thirty-first McMahon crossed the Meuse at Menson. This furnishes direct contradiction of the dispatch of King William to Queen Augusta, which announced that he had repulsed the troops under the command of Marshal MacMahon' beyond the Meuse. Everything seems to indicate that the struggle will be renewed to-day.

that he achieved a partial success. Wed-

MUNICH, Sept. 2. There is intense delight among all classes of people at the prowess exhibited by the Bavarian corps in the battles near Beaumont. Flags are flying and the citizens paradled the streets with bands of music, banners and transparencies Yesterday there was a reunion of the Lib-eral Deputies in the Chambers to respond to the convocation of the Notables in ses-

from correspondents to-day, corroborating the news previously published of successes to our arms. The Prussians, however, are so numerous that the battles must be renewed on a vast scale. Both sides have received heavy reinforcements.

London, Sept. 2. The Paris papers notice angrily that the Prussian victories strengthen the London stock market, also that Prince Humbert, Crewn Prince of Italy, and wife, have congratulated Prussia on her successes. The French Emperor attended by cesses. The French Emperor attended by Nelaton, and other eminent surgeons, is now with Marshal McMahon. The French troops which were engaged with the Prussians at Attigny, were the reinforcements which left Paris the 27th and 28th of August, for McMahon.

PARIS, Sept. 2-Evening. There are uncertain reports regarding the movements of the armies and the re-

cent battles.
Palikao in the Corps Legislatif to day declared that he had received no official news from McMahon or Bazaine, and that he had no communication to make to the

Chamber.

It is believed that fighting has been going on all day to day. Dispatches from Arion yesterday, say that the fortresses of Mezieres and Sedan will occupy the attention of a large force of Prussians if an attempt is made to besiege them.

The French journals call attention up the fact that although the Prussians have much to say of the battle of the 30th where Failley was repulsed, they make little mention of that of the 31st where McMahon repulsed their left and centre.

Were found floating in the bay last evening. They were last seen Sunday ovening in a sail boat fighting, both intoxicated. It is supposed they fell overboard and were drowned.
